**Dates**

The following performance dates are confirmed. Cross out any dates that do not apply:

Completion:  Commissioning:  Acceptance after trial operation:

The following partial performance dates are confirmed:

Partial acceptance on:  for the partial performance:

**Technical scope**

A condition for acceptance is that the performance has essentially been carried out, transferred, and commissioned in accordance with the contract. Furthermore, all aspects of the performance must coincide with the general rules and technology, taking the chemical industry's accident prevention regulations and the applicable standards (including VDE, DIN, EN) into account. Smaller defects do not hinder acceptance.

- 1. The performance is accepted without any objections:
- 2. The performance is accepted with an objection. Remaining work, defects, and reservations can be found in the "Remarks" section or in the annex.

**Documentation scope**

- |  |  |   |                              |
|--|--|---|------------------------------|
| 1. Measurement and/or inspection certificate     | Not applicable: <input type="checkbox"/> | Transfer has taken place: Yes: <input type="checkbox"/> | No: <input type="checkbox"/> |
| 2. Review of drawing/circuit diagram/P&I diagram | Not applicable: <input type="checkbox"/> | Transfer has taken place: Yes: <input type="checkbox"/> | No: <input type="checkbox"/> |
| 3. Final documentation pursuant to contract      | Not applicable: <input type="checkbox"/> | Transfer has taken place: Yes: <input type="checkbox"/> | No: <input type="checkbox"/> |

The missing documentation shall be submitted by (date):

**Principal's reservations**

- 1. Correction of defects that have been recorded in writing but have not been completely removed yet.
- 2. Any assertion of a contractual penalty or of damages due to a delay, performance contrary to the contract, and/or conduct contrary to the contract.

**Remarks**
